Work and internship experience

Period

IT support & VB.net Programming – International internship

January – June 2009

Company: Haldex Europe SAS in Hoerdt-Strasbourg (France)

First line Service support for user, desktop & Citrix support. Other tasks like local server management and participation in global IT programming projects, etc.

Reference: W. Goossens

Chief Youth Animator – Internship

Summer season 2007 – 2008

Association: SPW Hamont-lo

VBA Programming in Excel 2003 – Student job

Summer vacation 2008

Company: Estée Lauder, Oevel (Belgium)

I participated in improving the comprehensive macro system, guiding the roll-out of a new fiscal year. Furthermore, I wrote a tiny Warehouse Management System with VBA in Excel.

Reference: Guido Verellen

Children's Entertainer

2004 – 2008

Association: Robke en Patje

On a regular basis, I replaced the entertainers. This was at least 3 to 4 times a month. We've done shows for groups of 10 till 500(or more) children.

Reference: Patrick Van Horne

Animator

summer season 2004 – 2007

Association: SPW Hamont-lo

IT Support – Student job

summer season 2007

Company: Carglass, Hasselt (Belgium)

Delivered IT support for Belgian and Luxembourgian branch offices. I also participated in local incidents with Windows XP, Windows Server 2k3, etc.

Reference: Dirk Slechten

Interests and hobbies

I like to travel and talk different languages (French and English)

I am interested in Music, Technology, Computer, C#, Scheme, etc.

Since 2011, I am a member + Vice-President of the choir of the Vrije Universiteit Brussel: "Caffé Latte"! Since 2010, I am a very active member of the study association "Vrij Onderzoek".

Miscellaneous

2011 – Now: Treasurer at the Student Association BierKultuur

During the academic year 2011-2012, I am the treasurer and board member of the student association "BierKultuur".

2011 – Now: Vice-President of the VUB Choir

Together with Bram Vancompernelle, we (re-)started the University Choir "Caffé Latte"!

2008 – Now: Microsoft Student Partner since November 2008

2011: Co-organizer “Week van de Verlichting” (English: “Week of the Enlightenment”)

During the academic year 2010-2011, I have been working pretty hard on the organization of different activities during the “Week of the Illumination”. (wvdv.be)

2009: Prize for ethics, André Renard

I won the prize for ethics, André Renard with my Erasmus internship Report: “Another way for IT support”, Internship Report 2009, Niels Nijs

2008: 2nd place at the WTC Contest

I won the 2nd place at the Write The Code(WTC) Contest at Qframe in 2008

- Developing a .NET Winforms application

More information: www.qframe.be/qframednn/Qnieuws/tabid/61/Default.aspx

2007 – 2009: Chairman of the student representatives

During my study of “Applied Informatics” at the Provinciale Hogeschool Limburg, I was the chairman of participation committee from the years 2007 until 2009.
